

*Lord teach us to pray*

## IDEAS TO PRAY ABOUT...

**Pray for** people from across the nations to be drawn in and taught by the Spirit to worship and intercede for Afghans both individually and in communities. (*Psalm 108:3*)

**Pray for** God's people to have insight from the Holy Spirit into how to strategically uproot and plant in prayer for Afghanistan and its peoples. (*Jeremiah 1:10; Isaiah 41:15-16*)

**Pray for** God's people to come to their knees in humility, desperation and desire to see a saturation of God's Kingdom among Afghans throughout the world. (*2 Chronicles 7:14; Matthew 6:10; Matthew 7:7-8*)

**Pray for** disciples to foster a lifestyle of prayer that all they do flows from a place of dependence and responding to the Spirit. (*Psalm 127:1-2*)

**Pray for** disciples to develop the habit of extended times of passionate, persevering prayer & fasting for the Afghan peoples. (*Matthew 14:23; Isaiah 62:6-7*)

**Pray for** an increase of strategic prayer for every people group in Afghanistan and for thousands of prayer gatherings to form throughout the nations praying for all sixty eight Unreached People Groups. (*Matthew 18:20; Revelation 7:9-10*)

**Psalm 108:3 - Luke 11:1 - Psalm 127:1-2**

## QUESTIONS TO PONDER WITH GOD...

**What might a prayer movement for Afghans look like? What might it take?**

Dream with God and pray out of this space - remember HE is the birth place of all things. Take some time to ask the Spirit what the blockages are for seeing the above. Pray out of this space.

**What might Jesus invitation be for you this year as you consider prayer and fasting for the Afghan harvest field? How might this look personally? How might this look with others?**

## POINT TO CONSIDER...

Consider taking time to read about the 68 Unreached People Groups in Afghanistan and **committing to pray daily** for one of them throughout 2025.
